Your personal  
island resort  
10,934 square feet  
of floating luxury

Welcome to  
**HARBOUR ISLAND**

Welcome to your private HARBOUR ISLAND, an oceangoing superyacht with all the amenities and luxury found on the world's finest vessels. HARBOUR ISLAND is stabilized for comfort underway and at anchor. The vessel was carefully conceived by experienced yacht owners as an exclusive yacht holiday for family and friends. The yacht features six exceptional staterooms including two master suites, expansive outdoor decks, Beach Club and an elevator from the lower deck to the skylounge.

The inviting interior has plush carpeting, exquisitely detailed woodwork and warm marble surfaces. The woodwork consists mainly of two rich tropical imports, makore (African cherry) and sapele (African mahogany). The domestic American walnut, a prized hardwood, is used in accent pieces.

The stunning skylounge boasts a flexible arrangement for maximum enjoyment at all times of the day including a 90 inch projection screen with surround sound. One of the most striking focal points of the vessel is the spectacular 10 foot domed ceiling, an immense skylight effect over the impressive open entertaining area. Aft, the extraordinary skylounge deck sets the mood for alfresco dining. The split-level sundeck offers sunbathing fore and aft or soaking in the Jacuzzi /infinity pool with a sunset cocktail from the full service wet bar.

The Crestron control system efficiently handles lighting, window shades, music, television and video using integrated iPads throughout the yacht.

Everything you could wish for and more. Begin your new adventure aboard your private HARBOUR ISLAND.

*Private* TERRACE

Enjoy a quiet breakfast or your favorite book in the privacy of the upper deck master suite terrace.

View from the top  
the fun deck

## SunDECK

The split-level sundeck is most definitely "the fun deck". Soak up the sun on the raised sunpad forward or unwind in the Jacuzzi / infinity pool aft with a swim up bar.

Magical  
nights  
for all kinds of entertaining

## Skylounge DECK

The skylounge aft deck is a superb venue to gather together for *hors d'oeuvres* and fine dining prepared by the yacht's chef. Two flowing settees port and starboard on the stern easily accommodate intimate conversations or groups.

Veranda on the water  
the perfect place to start your cruise

## Main DECK

The raised veranda on the main aft deck is the ideal place to relax after a busy day ashore or on the water toys. The U-shaped settee on the stem is complemented with 2 large handcrafted tables. Forward, port and starboard, are two additional L-shaped settees, each with a cocktail table. Celebrate the yacht's departure to your next port of call with a *bon voyage* champagne toast.

## Beach CLUB

The open Beach Club with teak sole accommodates a day lounge / massage room at the water's edge. HARBOUR ISLAND carries an array of water toys and equipment for hours of fun in and on the water. The transom door folds down to become a sizable swim platform. Swim ladders provide easy access for boarding the tenders, water sports or swimming.
